

# ACCOMMODATION

## Homestay

Homestay offers international students the opportunity to live in a U.S. family's home as part of their family. Staying with a host family will help students improve their English skills quicker through daily conversation and interaction with their hosts. Additionally, a Homestay offers students a safe atmosphere while attending CCLS.

CCLS offers recommendations for Homestay accommodation and transportation services and is happy to assist students as they make these decisions. The average cost of Homestay is currently \$750 - \$1,300 per month. Please contact [info@cclscorp.com](mailto:info@cclscorp.com) for additional information and availability.
