Information correct as at 05/02/18. Check [optus.com.au/prepaidplans](http://optus.com.au/prepaidplans) for the latest plan, offer end dates and pricing info.  
 All for use in Australia. Fair Go Policy applies.  
 Prepaid Ultimate Plus: Bonus Data: May take up to 72 hours to be applied and will expire at the same time as that recharge unless data rollover applies. Excludes SIM swaps. Eligibility for offer is forfeited once you leave the plan. Not to be used with any other offer. Limit once per customer. Video Streaming: Expires within 28 days or upon next recharge, whichever is earlier. Streaming services subject to change and may not have apps available on all mobile operating systems. Content such as ads, authentication and app analytics are excluded and will be deducted from any standard or bonus MyCredit allowances you have, returning and downloads not permitted. Extras Credit: Non-standard international calls will be charged at different rates. See [optus.com.au/prepaidint](http://optus.com.au/prepaidint) for details. Exclusions apply to some premium SMS services - see [optus.com.au/prepaidint](http://optus.com.au/prepaidint) for details. Credit used while roaming cannot be used for MMS and will be charged at standard rates which can be found at [optus.com.au/travel](http://optus.com.au/travel). Optus makes no guarantee regarding the quality and availability of coverage or any roaming services. Expires within 28 days or on next recharge, whichever is earlier. MyData Rollover: Only rolls over if you recharge before expiry. If you recharge over 10GB of MyData Rollover, you will forfeit any data over that limit. Unlimited Standard International Calls: Excludes premium/special/satellite/overseas toll-free numbers and video calls. International destinations are Canada, mainland China, France, Germany, Hong Kong, India, Ireland, Japan, Malaysia, New Zealand, Singapore, South Korea, Sweden, UK & USA. Calls to other destinations and non-standard calls are deducted from included Extras Credit (see [optus.com.au/prepaidint](http://optus.com.au/prepaidint) for rates). Music Streaming: Streaming services subject to change at any time. Downloads, video & non-music content incur data charges. Streaming services may require paid subscription fees. Requires data balance or MyCredit. Streaming will trigger a day's usage. Full terms at [optus.com.au/prepaidint](http://optus.com.au/prepaidint) for Prepaid Ultimate Plus. The \$2 Daily Level is charged on the first outbound standard national call (SMS, MMS, Voicemail, music streaming or data use each day). Smart phones are set to seek data automatically and this will cause the first Daily Level to be charged. Please check your phone settings. If you use more than the included data in the \$2 Daily Level, we'll auto charge you another \$2 for 24MB data (total of 1GB/\$4) to use in the day. International, roaming and non-standard calls and usage will be charged at different rates from your MyCredit. MyPrepaid Long Expiry: MyCredit Rollover: Only rolls over if you recharge before expiry. If you recharge over \$500 you will forfeit any MyCredit over that limit.
